## What we expect from you

### Respect others

- respect the rights of others, including privacy and intellectual property rights
- don't abuse or harm others or yourself (or threaten or encourage such abuse or harm) – for example, by misleading, defrauding, illegally impersonating, defaming, bullying, harassing or stalking others
- don't abuse, harm, interfere with or disrupt the services – for example, by accessing or using them in fraudulent or deceptive ways, introducing malware or spamming, hacking or bypassing our systems or protective measures. When we index the web to bring you search results, we respect standard usage restrictions that website owners specify in their websites' code, so we require the same when others use our services
